

Research Resources Expo

An Exhibition of the Core Facilities and
Shared Research Resources Across the University

Tours of Cores

Tuesday, March 18, 2025
4:00-5:00 pm

University of Miami Miller School of Medicine

- The cores listed below are offering tours. To join a tour, please sign up in advance.
- To sign up for a tour of a core, please contact the core as listed below.
- At the end of the poster session at 3:30 pm, please gather at the poster of the core; a member of the core will walk the tour group to the core.
- Many of these tours have a limit of 20 individuals, so please sign up soon.

Medical School Campus

Contact Person for Tour of Core

- | | |
|---|--|
| • Sylvester Onco-Genomics Shared Resource..... | Benjamin Currall (bbc16@med.miami.edu) |
| • Sylvester Flow Cytometry Shared Resource..... | Shannon Saigh (sjsaigh@med.miami.edu) |
| • Sylvester Cancer Modeling Shared Resource..... | Gloria Mas Martin (gxm578@med.miami.edu) |
| • Miami Project Drug Discovery Core..... | Hassan Ali (halali@med.miami.edu) |
| • Miami Project Transmission Electron Microscopy Core.... | Vania Almeida (valmeida@miami.edu) |
| • Miami Project Imaging Core..... | Yan Shi (yshi@miami.edu) |
| • DRI Analytical Imaging Core Facility..... | Maria Boulina (mboulina@miami.edu) |
| • DRI cGMP Cell Processing Facility..... | Xiumin Xu (x.xu@med.miami.edu) |
| • HIHG Biorepository Core..... | Patrice Whitehead (pwhitehead@med.miami.edu) |
| • ICRT Imaging Core for Research and Training..... | Ana Rojas (arojas@med.miami.edu) |
| • Clinical Translational Research Site (CTRS)..... | Carlos Sandoval (c.sandoval1@med.miami.edu) |
| • Laboratory for Clinical Bioscience..... | Ranjini Valiathan (rvaliathan@med.miami.edu) |
| • Comparative Pathology Laboratory..... | Carolyn Cray (ccray@miami.edu) |
| • BPEI Ophthalmology Mass Spectrometry Core..... | Isabella Mocerri (ccray@miami.edu) |
| • BioNIUM Nanofabrication Facility..... | Bahar Motlagh (igm243@miami.edu) |
